TELEGRAPHIC NEWS.

Bulgaria.

BUCHAREST, July 20.—It is reported from Russian sources that the Bulgarian government has arrested M. Radoslawoff, Premier and Minister of the Interior in the cabinet just suspended. The arrest is said to have been made on the charge of treason. The ministers are said to be afraid of the opposition of the army to the new government. It is also reported that troops intend to proclaim the independence of Bulgaria.

CONSTANTINOPLE, July 20.—France will not acknowledge Prince Ferdinand of Saxe-Coburg-Gotha as ruler of Bulgaria, because Roumelians were permitted to vote in the Sobranje for his election.

The President.

WASHINGTON, July 20.—The President and party arrived in Washington at 10 o'clock this morning.

The President and Mrs. Cleveland, Secretary and Mrs. Fairchild, and Col. D. S. Lamont arrived early this morning. The President and Mrs. Cleveland proceeded direct to the White House. They are all in good health and speak enthusiastically of their tour in New York. Though somewhat tired, the President went to work soon after reaching the White House, most of the day was spent considering his mail. Secretary Fairchild spent the day at home and will resume his duty to-morrow.

Ugly Strikers.

GREENSBURG, Pa., July 20.—A party of forty strikers marched to the Mammoth Coke Works, this afternoon, and after driving off the sheriff and six deputies, forced fifteen men at work to quit. In the melee three non-union men were quite severely hurt. The sheriff called upon the Governor for aid to protect the men. The strikers are ugly, and the impression in Westmoreland is that the strike is very far from the end.

Released.

PARIS, July 20.—Baron Seilliere, a rich Frenchman, who was placed in a lunatic asylum by his relations, who charged that he was insane over imaginary fortunes he had made in America, has been released from the asylum.

Rifle Contest.

LONDON, July 20.—The rifle contest for the Kolapore Cup took place at Wimbledon to-day. The English team won with an aggregate score of 710, the Canadian team with 663. The second prize which the Canadian team received, was £80.

Eh?

NEW YORK, July 20.—The World notices the fact that Governor Hill, ex-Secretary Manning, Conrad Jordan and Dan Lamont have been spending the past few days at Long Beach together. It asks: "Does this mean peace?"

Whew!

ATLANTA, Ga., July 20.—A bill taxing a wine room \$10,000 passed the House to-day by the requisite majority. It is thought the Senate will pass it also.

Hurricane.

BUENOS AIRES, July 20.—A hurricane prevailed on the coast and a number of vessels were driven ashore.

A Pretty Woman's Secret.

Look young as long as you can, prevent tendency to wrinkles or ageing of the skin by using LEAURELLE OIL. Elegant for clearing complexion, rough skin, chapped faces and so on. Keeps the hands and face soft and smooth. Preserves a youthful, lump condition of the features. Only substance existing that will prevent or arrest tendency to wrinkles. An elegant dressing and preservative tonic for the hair. No oil or grease. Ask for Leaulle Oil. \$1 at druggists.

Heroes and Heroines.

There are few who endure bodily trouble without complaint. Did you ever meet among the heroes or heroines of your acquaintance—if any such there have been—one with a yellowish cast of countenance and that jaundiced aspect generally, which the most unpractised eye recognizes as the product of a disordered liver, who did not complain, and peevishly too, of the soreness of the recalcitrant organ, of pains beneath the right shoulder blade, of dyspeptic symptoms, constipation and headache? Of course, you never did, and of course, the individual was not using Hostetter's Stomach Bitters, or he would not so have looked—so have complained. To purify the blood when contaminated with bile, and conduct the secretion into its proper channel, to re-establish regularity of the bowels, banish bilious headache and remove impediments to complete digestion nothing can approach in efficacy this peerless alternative and tonic. Malarial complaints, always involving the liver and kidney and bladder inactivity, are remedied by it. It is a capital appetizer.

W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., says: We have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for two years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by the use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by E. C. M. I. Drug Store. 1

A Strong Testimonial.

Editor Enquirer.—I have been north as far as Centerville and Bountiful by invitation from Mr. Samuel Smith, for the purpose of visiting several orchards introduced in that section of country during the last four years by the Geneva Nursery, and I was most agreeably surprised to find in various kinds of fruit trees much finer even than Mr. Smith had represented them to be. The fruit that I saw, such as apples, cherries, grapes, etc., and the satisfaction expressed by parties who have bought and are still buying from the Geneva Nursery, satisfies me that the proprietors are square-dealing and reliable business gentlemen, and that they are introducing a class of fruit in this Territory that if properly cultivated, will bring good profit to the producer.
